

Friday 1st May 2026

Wigmore Weekly

Our school value of the month: Creativity

British Values: Individual liberty, mutual respect and tolerance

Quote of the Week: Creativity is a wild mind and a disciplined eye. Dorothy Parker

Star of the Week

Acorn: Grayson
Oak: Penny
Elm: Kristian
Laurel: Lillian
Willow: Willow Class
Cherry: Seth
Sycamore: Wren

A huge congratulations to Wren in Sycamore Class who won her category (under 15 girls-net)! Wren will progress to the next championship in the autumn. Well done Wren - we are very proud!

Value of the Week

Acorn: Rees
Oak: George J
Elm: Pearl and Lilah
Laurel: Mostyn
Willow: Willow Class
Cherry: Henry
Sycamore: Eliot

Willow Class have enjoyed a truly phenomenal residential at Oaker Wood this week. A huge thank you to Mrs Edwards for organising the trip and to Mrs Lewis and Miss Holmes for accompanying and supporting the children throughout the adventure. We hope everyone enjoys a well-earned rest and catches up on some sleep over the weekend!

Today, we were treated to a glorious afternoon as pupils took part in our mini marathon. Children ran around our local area before returning to school for a well-deserved ice lolly! It was wonderful to see such a superb display of friendship and encouragement across our school community. Well done all!

Class of the Week

Well done to Acron Class!

We hope you all enjoy the Bank Holiday weekend!

Mrs Rebecca Williams - Head of School

What's happened at Wigmore...

Acorn Class

This week, our tour around the world took us to the continent of Asia! The children loved learning all about the amazing animals we might see on our travels and enjoyed exploring different habitats in science. We had lots of fun with water play in maths, helping the children learn about capacity as they poured, compared and measured. We also practised our 'j' sound, with the children doing a fantastic job recognising and saying the sound confidently. A fun-filled week of learning and exploration! Today, the children took part in the virtual mini marathon and did a fantastic job. Have a lovely bank holiday weekend.

Oak Class

What a wonderful week in Oak Class! This week, in English the children have been making predictions about our new story 'Jack and the Beanstalk'. In mathematics, Reception children have been learning the number bonds for number ten. Year 1 children have been exploring 2D and 3D shapes. We had a great science lesson on Monday labelling the parts of a plant and an amazing geography lesson learning about maps. The children have all enjoyed completing the 'Mini Marathon' on the field this afternoon! Have a lovely weekend.

Elm Class

What a wonderful week in Elm Class! The children have finished writing their stories from the perspective of Mio and they have continued to impress me with their ambitious vocabulary. We enjoyed sharing our stories with Oak Class! In history, we have continued to learn about Florence Nightingale and considered her reasons for heading to Crimea to help the hospitals. In mathematics, the Year 2 children have been incredibly resilient when learning about how to find fractions of a number using bar models. We have also enjoyed learning about how to program a character to move when using Scratch Junior. Have a lovely weekend!

Laurel Class

Laurel Class have had another wonderful week! During our English lessons, the children have been creating some amazing newspaper reports about Narnia's new rulers and finished the week by making some excellent predictions about our new text! In maths, Laurel Class have enjoyed learning about perimeter and exploring the different ways to calculate it. In science, the children have been developing their knowledge of the human skeleton and have started to construct their own! In geography this week, the children had a fabulous time learning about how the human features of Wigmore have changed over time! An excellent week for Laurel Class! I hope you all have a fabulous weekend!

Willow Class

It is always such a privilege to attend a residential with our children at Wigmore and this one has been no different. The children have outdone themselves and have excelled with representing the school and our community. Yesterday, the children completed a low rope course which took a lot of teamwork and resilience. Today the zip wire, gladiator challenge and money climb await them. I am sure they will have many stories to tell you all and have certainly created memories that will stay with them for life. Have a lovely Bank holiday weekend.

Cherry Class

We have had a glorious week in Cherry Class. We have been incredibly impressed with the newspaper reports that the children have produced using direct and indirect speech to convey how people felt during evacuation. In maths, Cherry Class have been finding percentages of number, which although they have found tricky, the children have persevered really well. We enjoyed a very sunny forest school where the children were using skills including sawing, balancing and minibeast hunting. In Geography this week we explored the Great Barrier Reef and developed our research skills to find out more about its location and how it benefits the world. We have also been busy practising for our class assembly next Thursday and are looking forward to seeing you all there. Please see notes in the children's planners regarding outfits for the assembly. Have a lovely long weekend **Homework: Eng - Pg 12 Maths - Pg. 46**

Sycamore Class

This week, the children have worked hard consolidating key learning across the curriculum. In mathematics, we have been revising place value, calculations and fractions to strengthen understanding and confidence. In English, we have focused on developing inference skills in reading, revising word classes in grammar and practising the use of a range of suffixes in spelling. Thank you for your continued support with homework. There has been an increase in amount over the past couple of weeks and I really appreciate the effort being put in by both children and families. Have an enjoyable Early May Bank Holiday weekend!

What's happening at Wigmore...

Class Assembly Dates			
Term	Class	Date	Time
Summer i	Cherry Class (Y5)	07.05.26	@ 9:00
Summer ii	Oak Class (YR/1)	09.07.26	@ 9:00

Elm Class, don't forget swimming is every Tuesday this half term.

Cherry Class, don't forget Forest School is every Wednesday this half term.

Acorn and Oak Class, don't forget that Forest School is every Friday.

**DON'T
FORGET**

Well done to the following children who achieved the most correct answers over the last seven days:

Y1: Erin
Y2: Stanley
Y3: Ottilie

Y4: Ollie
Y5: Seth
Y6: Isla

David Attenborough's 100th Birthday Celebrations

To celebrate David Attenborough's birthday, we will be creating clothing to wear to a party, made from recyclable materials! If you have any recycling at home that might be useful, please bring it in next Friday.

Thank you!

Wigmore Noticeboard

Reminders

Arrival in the Morning - Please remember that children should not be left unsupervised in the playground before 08:30am when the door opens. This is to ensure children are safeguarded at all times.

Please don't walk your children through the High School car park. Healthy Snacks - Please remember that we are a healthy school and NUT FREE. In line with school policy, children should only bring in healthy snacks for break (fruit, cereal bars) not crisps, cake or chocolate.

School Dinners - Please remember to ring the School Canteen to cancel school dinners if your child is off poorly. School dinners need to be on Arbor by Tuesday for the following week.

Head Lice - Once a week, take a peek!

Uniform

We believe that wearing a uniform is a way of encouraging a sense of identity and connection with the school, which helps to inspire a community spirit. We would like all children to wear the correct uniform and be as smartly presented as they can for each school day. It is lovely to see children that are proud to belong to Wigmore Primary School. Our expectation is that all children attend school in the uniform outlined on our website and within our uniform policy.

Please note, black trainers are not part of the school uniform. School shoes should be plain black.

SCHOOL HOLIDAY ACTIVITIES AT HALO LEISURE

Every school holiday we have a fantastic lineup of activities to keep kids active, engaged, and having a blast!

**FAMILY FUN
SWIMMING**
