Dear Parents/Guardian

Re: Leintwardine Incident

We have been informed of an incident in Leintwardine yesterday when one of our pupils from the high school was approached by a man in a car and asked to get in after he had got off the school bus. The incident has been reported to the police who are currently investigating. We are awaiting an update from the police. In the meantime, one of our members of staff will travel on the Leintwardine bus this afternoon.

Please could you remind your child about stranger danger and report any suspicious incidents to the police.

Yours sincerely

Mr D Curtis
Executive Headteacher
